This program is designed for high achieving high school students and highly motivated teachers. The one-week program promises a very intense, fast-paced learning environment. Days are fully packed with inspiring energy lectures, exciting hands-on activities and mind-blowing facility tours. Only those who are motivated by this type of learning environment are invited to apply as spots are limited and very competitive.

Do you wish to continue with your application?
- Yes
- No

Have you participated in our program before?
- Yes
- No
